His training emphasized discretion, adaptability, and moral resilience—traits that would serve him well in the perilous missions ahead.

The Operation: Uncovering the Devil's Table

What Was the "Devil's Table"?

The "Devil's Table" was a covert operation name for a clandestine network believed to be developing a clandestine nuclear proliferation program. Intelligence agencies suspected that a rogue state or non-state actor was attempting to acquire nuclear materials and technology, threatening global security.

The operation sought to uncover the network's structure, identify key players, and prevent a potential catastrophe.

The Man Behind the Operation

Our subject, operating under deep cover, infiltrated the network over several years. His methods included:
