- French Versions: French translations appeared as early as the late 19th century, with notable versions by Henri Paris in 1890. French translators prioritized maintaining the poetic and humorous qualities, often resorting to cultural references familiar to French readers.

Cultural Contexts and References

Many of Carroll's references, idioms, and cultural signifiers are rooted in Victorian England. When translating into languages with different historical and cultural backgrounds, translators often need to adapt or substitute references to maintain relevance.

- Example: The Mad Hatter's tea party may incorporate culturally specific elements, such as traditional tea customs or local idioms, to resonate with the target audience.
