Origins and Mythology

The Wood Elves, known as the Asrai or the Sylvaneth in some mythologies, are an ancient race deeply intertwined with the forests of the Old World. Unlike their High Elf counterparts, which migrated to the eastern continent, the Wood Elves remained secluded within their woodland realms, fiercely protective of their sovereignty and traditions.

Their origins trace back to the early days of the Old World, where they are said to be descended from the spirits of nature and the primal forces of the forest. They are led by the mysterious and revered figure of the Everqueen and are governed by a complex hierarchy of forest spirits, tree herders, and warrior clans.

Cultural Traits and Philosophy

The Wood Elves' ethos revolves around harmony with nature, guerrilla warfare, and an intrinsic connection to the forest. They eschew heavy armor and traditional warfare in favor of agility, stealth, and hit-and-run tactics. Their society is matriarchal, with the Everqueen and the Waywatchers playing central roles.
