Introduction to the Event

Dawn of the Age of Apocalypse was published in 1995 and is widely regarded as one of the most significant X-Men crossover events of the 1990s. This storyline is notable for its bold narrative choices, including the death of major characters, the reshuffling of alliances, and the depiction of a brutal, oppressive world where mutants are hunted and the line between hero and villain is blurred. It ran across multiple series, including X-Men, X-Factor, Astonishing X-Men, and Weapon X, making it a sprawling saga that demands careful reading.
