Her interviews with countless clients under deep hypnosis often revealed detailed accounts of the soul's journey after death, reincarnation cycles, and the transitional states that occur between lives.

Understanding the Between Life State: Cannon's Perspective

What Is the Between Life State?

According to Dolores Cannon, the ?between life? state refers to a non-physical realm or dimension where the soul resides after physical death and before reincarnating into a new life. She described it as a highly organized, intelligent, and benevolent space where souls review their past experiences, select future lessons, and prepare for the next incarnation.

This state is not merely an empty void but a rich, vibrant environment filled with guides, loved ones, and a greater understanding of the soul's purpose. Cannon emphasized that this space allows for reflection, healing, and planning, serving as a crucial phase in the soul's evolutionary journey.

Key Features of the Between Life Realm

- Post-session debrief to interpret insights and experiences.

Cannon claimed that through this method, she could access detailed, verifiable information that transcended normal memory recall.
