The Fifteen Commandments: An In-depth Breakdown

Adichie's fifteen suggestions serve as a practical guide for fostering feminism in everyday life. Let's examine each one more closely.

1. Feminism is for everybody

Adichie begins by emphasizing that feminism is a universal movement that benefits everyone, regardless of gender. It is about creating a society where all individuals can thrive equally.

Key takeaway: Feminism should be inclusive and accessible, breaking down the misconception that it's only for women or a particular group.

2. Be a girl who is proud of her femininity

Encourage girls to embrace their femininity without shame, recognizing that being a girl is something to celebrate, not hide or diminish.

Implication: Challenging the idea that femininity is inferior or something to be suppressed.

3. Never tell your daughter she is "bossy"

Adichie advocates replacing negative labels like "bossy" with empowering language, encouraging girls to take leadership roles.

Why it matters: Labels shape self-perception; positive reinforcement helps build confidence.

4. Teach girls to be independent

Foster independence by allowing girls to make decisions, manage tasks, and develop self-reliance.

Outcome: Girls grow up feeling capable and in control of their lives.

5. Empower girls to express themselves

Create environments where girls feel safe to share their thoughts, feelings, and ideas openly.

Balance: Encouraging assertiveness alongside kindness.

7. Teach girls about boundaries and consent

Start conversations early about respecting personal boundaries, body autonomy, and consent.

Impact: Reduces the risk of abuse and promotes respectful relationships.

8. Never tell your daughter she is "too emotional"

Challenge stereotypes that dismiss women's emotional expressions as weakness. Instead, validate feelings as natural and important.

Cultural shift: Embracing emotional intelligence as a strength.

Support girls' ambitions and curiosity, whether in academics, arts, sports, or leadership.

Parents and role models should exemplify equality and respect in their actions and words.

Why it's effective: Children learn by observing; behavior speaks louder than words.

12. Teach girls about their history and achievements

Highlight the contributions of women throughout history to inspire pride and awareness of women's agency.

Significance: Building a sense of identity and purpose.
