The Origins of Arkham House

Founding Principles and Motivations

Arkham House was founded in 1939 by authors August Derleth and Donald Wandrei with the primary goal of preserving the works of H.P. Lovecraft, who had died just two years earlier in 1937. Lovecraft's influence on horror and weird fiction was profound, but during his lifetime, his work was often published in pulp magazines with limited circulation. Derleth and Wandrei recognized the importance of safeguarding Lovecraft's legacy and sought to publish a comprehensive collection of

his stories.

The name "Arkham House" was inspired by Lovecraft's fictional town of Arkham, Massachusetts, a central setting in many of his tales. The choice of name reflected the publisher's deep connection to Lovecraft's mythos and their commitment to the genre.

First Publications and Early Challenges

The inaugural publication, *The Outsider and Others* (1939), was a hardcover collection of Lovecraft's stories, marking the beginning of Arkham House's groundbreaking publishing venture. The book was initially limited to 2,012 copies, making it a rare collector's item from the outset.

Despite its cultural importance, the early years of Arkham House faced financial and distribution challenges typical of small independent presses. Limited print runs, distribution hurdles, and the niche market for horror and weird fiction meant that the publisher had to be resourceful and dedicated.

Evolution and Expansion of the Catalog

Despite these challenges, the founders' passion and dedication kept Arkham House afloat, setting the stage for future expansion.
