Understanding the USCG Privacy Act Cover Sheet

What Is the USCG Privacy Act Cover Sheet?

The USCG Privacy Act Cover Sheet is a standardized document used to accompany records containing personally identifiable information (PII). Its primary purpose is to notify individuals about the collection, use, and disclosure of their personal data in accordance with the Privacy Act of 1974.

The cover sheet acts as an informational and compliance tool, ensuring transparency and adherence to federal privacy laws. It typically includes details such as the nature of the information collected, the authority for collection, and the rights of the individual regarding their data.
