Understanding the Rules of Short Mat Bowling

Game Objectives

The primary goal in short mat bowling is to deliver bowls that come to rest closest to the jack (the target ball). Players aim to outscore their opponents by positioning their bowls strategically on the mat.

Basic Rules and Play Format

- Setup:

- A rectangular mat, typically 6 to 8 meters long and 1.5 meters wide.
- A target jack placed at a designated end.
- Players or teams alternate delivering bowls from a predetermined hand or side.

- Playing the Game:

- Players take turns rolling their bowls, aiming to get as close as possible to the jack.
- The game usually comprises a set number of ends (rounds), commonly 8 to 12.
- After all bowls are played in an end, points are awarded based on the proximity of bowls to the jack.

- Scoring:

- Only the bowls of the player or team with the closest bowl score points in that end.
- Each bowl closer than the opponent's best bowl counts as one point.
- The player or team with the highest score after all ends wins.

- Fouls and Penalties:

- Stepping over the mat boundary during delivery.
- Moving the jack unintentionally.
- Violating delivery rules, such as improper stance or delivery technique.

Note: The second edition provides detailed diagrams illustrating proper delivery stance and common fouls to help players avoid infractions.
