- Shape and Form:

The shape is reminiscent of classic tombstones?arched tops with beveled edges?providing a timeless silhouette. The rounded arch at the top is complemented by carved inscriptions and embellishments that add character.

Material Composition

The durability and longevity of the Blueberry Chronicle 11 Tombstone hinge on its materials:

Some versions include embedded metal reinforcements or fibrous reinforcements within the resin to enhance stability and resistance to environmental stress.

- Finish and Coating:

A UV-resistant coating ensures the vibrant blue hue remains intact over time, even under prolonged sun exposure. The coating also provides resistance against moisture, mold, and moss growth.
