Philosophical Foundations of Heschel's Thought

- The divine presence (Shekhinah) is immanent within the world, making the divine-human relationship intimate and immediate.
- This perspective encourages believers to see divine activity not only in sacred texts but in

everyday life.

Revelation and Prophecy

- Revelation is an ongoing process, not confined to historical events.
- Prophets serve as the intermediaries who interpret divine will and challenge societal injustices.
- Divine revelation calls for a response—ethical, spiritual, and communal.
